

THC-INFUSED BEVERAGES

REVERB

ABOUT REVERB SPLASH

Reverb Splash blends the balanced harmony of naturally-derived Delta 9 THC and CBD, with a refreshing splash of real fruit juice. With zero artificial preservatives and zero alcohol, Reverb Splash delivers consistent refreshment without all the noise.

Whether you're vibing solo with your favorite record, passing cans around at a backyard show or hitting play on the perfect playlist for a sunny afternoon, each sip of Reverb amplifies the mood. It's made for those moments that echo long after they pass, because with Reverb,

GOOD TIMES RESONATE.

WHY BUY REVERB?

Reverb is made by Illinois' #1 independent brewery, Revolution Brewing in Chicago.

Reverb is **ALL-NATURAL**, contains **ZERO ALCOHOL**, and **ONLY 30 CALORIES** delivering consistent refreshment without all the noise.

SHIFTING DEMOGRAPHICS – Younger legal-drinking-age consumers (21–34) are adopting THC beverages fastest, but the category is also attracting wellness-minded adults 35–50 who are looking for alternatives to alcohol.

Explosive Growth – THC beverage sales are up 60%+ year-over-year in legal markets, making it one of the fastest-growing categories in cannabis.

ON-PREMISE CONSUMER SHIFT – Bars and venues are seeing a noticeable movement of consumers, especially younger adults, choosing THC beverages over alcohol, signaling a long-term shift in drinking behavior.
