WHISKEY SOUR

OAK-INFUSED SOUR ALE WITH LEMON

6.5% ABV

We teamed up with Tip Top Proper Cocktails to reimagine one of their classic canned cocktails through the lens of craft beer as a part of their Kindred Spirits collaboration series. The result is one of our most unique and inventive beers to-date: Whiskey Sour, an oak-infused sour ale with lemon. This beer was created to taste like a whiskey sour, but drink like a beer.

RED SKULL

IMPERIAL RED ALE

9.3% ABV

Our Imperial Red Ale is brewed with a blend of four malts and three hop varieties that come together to create a deeply complex beer with a reddish-orange hue. The malt brings a caramel-like sweetness and boozy warmth, while two different dry-hop additions bring citrusy bitterness to round off a very big, very balanced beer.
